

Candy

Name _____

Word Count: 99

In the 1920s, a new kind of candy bar was made. It is still 14
around today. You can find it in just about any store. It is 27
the Milky Way candy bar. A man named Frank Mars and 38
his wife made it. 42

In 1911, Frank and his wife began making candy in their 53
kitchen. The first candy they made was called a Mars 63
bar. They built a company. They called it Mars. They also 74
made the Milky Way candy bar. Mr. Mars thought his 84
candy was out of this world. So do some of the people 96
who eat it! 99
